

FRONTIER

A year of formation, discernment and equipping
in a community of pioneering leaders

FRONTIER

The frontier is the border between what is known and familiar, and what lies beyond. It calls those who have an adventurous spirit who are willing to risk leaving behind what is known to try something new, with the hope that this new thing might hold life.

We are looking for people whom Jesus is calling to the frontier of His kingdom work of reaching people with His gospel by pioneering new ways of doing so.

We would love you to consider joining us for Frontier, **a year of community together at the border in preparation for being sent into what lies beyond.** It is a year of discipleship and discernment, a year to be formed into people who live into a pioneering vision, each attuned to their own vocation and equipped to translate both into action.

WHAT ARE OTHERS SAYING?

PETER DALBRUN

Katoomba Lighthouse Church, Katoomba

"Frontier has completely changed my understanding of theology and the mission of the church. After a year of reading several books, studying different communities and church models, and working through the hard questions, I see that the time for drawing the lost to church with good programs and free coffee has passed. [Jesus] took God to the people in a way they could understand. This should also be the purpose and mission of the church today."

LOANI FALCONER

Southern Church, Albion Park

"It's been a year of discernment: trying to figure out with God who I am, what he's up to, and then following that prompting. Maybe there's an initiative, but maybe there isn't – maybe it's clarifying something else. It's easy to be in a hurry to get to the doing, to say this is what we're going to do and off we go. But this year has been about actually slowing down a bit and seeing things from a different perspective along the way."
