For Kids in Yr 3 -7

A letter from SYNC Camp Director, Jess Love

Hi parents!

I'd love to invite your children in years 3 - 7 to be a part of SYNC camp in the 2024 September school holidays! SYNC camp has a rich, 45 year history and each year our goal is to give campers the greatest week of their year!

Our key scripture this year is Hebrews 12:1-2 "Let us run with perseverance the race set out before us, keeping our eyes fixed on Jesus". We will be focussing on how to **Get Ready**, set and go into the life God has planned for us by preparing, strengthening and training to be His followers.

A day in the life of camp

A day at SYNC Camp starts with our J-Zone sessions - the 'Jesus zone' - where we praise, worship, engage with hilarious characters, hear dynamic bible teaching and respond to God's word. We then head out to activities designed to incorporate the themes of each bible message into outdoor challenges through fun, adventure and reflection. In the afternoons we use the great outdoor activities at The Tops - the giant swing, ropes challenges, archery or go karting to name a few. Oh and for our year 6 and 7 campers? A stay-up-a-little-later night program designed just for them, to go deeper with God and build stronger friendships with each other.

Campers stay in 6-person ensuite cabins, with each group of 6 having an adult leader to guide them through and participate in activities together across the whole week. All meals are provided in our

dining room and there's always access to delicious fruit and snacks throughout the day.

Who runs this camp?

SYNC camp involves a huge leadership team of people, including our camp nurse, each working in their unique gifting to deliver all the exciting parts of camp. While this is a church of Christ in NSW & ACT camp hosted in partnership with The Tops Conference Centre, our leaders are volunteers from children and family ministries from a variety of churches. We come together for this one week each year to work as the body of Christ to provide the best possible experience for your little ones! We all complete safety training before camp and come with a pastors' reference and hold working with children checks.

My Story

As a previous camper, intern leader and team member of the planning and programming team for over 15 years, I can guarantee your children will have the time of their life. I have experienced and seen first hand just how powerfully God moves in young people's lives in a camp environment. As a mum and a school counsellor, I see the value of these unique experiences in building confidence, resilience and relationship with God in a fun, safe, engaging environment for young people.
